East Rochester Fire Department Monthly Village Board Report

February 2013

Village Board Members,

I am pleased to report the following activity for the East Rochester Fire Department during the month of January 2013;

- January was a busy month for the Fire Department. We answered (46) alarms for the month and responded to (4) mutual aid structure fire related calls with the Fairport Fire Department.
- We responded to (2) of our own structure fire related calls during the month of January as well.
 - On January 9th at about 11:00pm we were dispatched to a residence on Pomander Walk for a report of a dryer on fire. Upon our arrival we found a dryer unit actively burning in the laundry room on the first floor of the residence. Our firefighters made a quick knockdown of the fire minimizing the overall damage to the residence. We were assisted at this scene by the Fairport Fire Department and the Brighton Fire Department.
 - On January 12th at about 10:30pm we were dispatched to a residence on Lincoln Mills Rd for a report of a kitchen fire. Prior to our arrival, the East Rochester Police Department arrived on scene and found a small cooking fire in the kitchen. The police officers deployed a fire extinguisher and extinguished the flames. We assisted the resident with smoke removal and some minor clean-up. We thank the East Rochester Police Department for their quick response and assistance during this call.
- We have completed our firefighter safety drill which is the first of (3) mandatory training classes that we conduct annually. We have several other training classes scheduled through the month of February including CPR and Defibrillator training and a seminar in Geneva.
- We conducted a fill-the-boot fund raiser on January 19th to benefit the injured firefighters and the families of the deceased firefighters from the West Webster Fire Department. We raised nearly \$15,000 in a matter of three hours during the boot drive and also by distributing boots at several local businesses throughout the village. We thank the East Rochester community for everyone's generosity and for the support of the local businesses that participated. We will be presenting the donation check to the West Webster Fire Department on February 5th.
- Although the snow has not been too significant this year, we still ask that the residents please continue to keep the fire hydrants clear through the winter season. We thank you for helping us out.
- On a side note, there will be a few changes coming up with this year's ERFD Chicken Bar-B-Q and Fireman's Field Days. The Chicken Bar-B-Q will be held on Wednesday July 24th, 2013 (not Thursday as in years past). The Fireman's Field Days will begin this year on Thursday July 25th (not Wednesday as in years past). The Field Days will run through Saturday as normal so please mark your calendars. We hope to see you all there!

The members of the East Rochester Fire Department all stand committed to serve the Village of East Rochester with pride and professionalism whenever called upon, 100% of the time.

Sincerely,

Steve Williams
