We have had a very busy summer so far, and it doesn't seem to look like it's going to let up any time soon. With school starting up again in about a month, we are asking the community for help with donating school supplies. If you should be purchasing supplies for your own child, perhaps you could pick up another set of supplies for a needy student. It would be greatly appreciated! Thank you!

EAST ROCHESTER FIRE DEPARTMENT

East Rochester Fire Department Monthly Village Board Report

August 2012

Village Board Members,

I am pleased to report the following activity for the East Rochester Fire Department during the month of July;

- We had an extremely busy month of July. We answered (44) alarms for the month bringing our year-to-date alarm total to (238). Out of the many alarms we answered, three of them were structure fires.
- On July 2nd we responded to 123 W. Filbert St for a report of a shed on fire in the back yard. Upon our arrival we discovered that the fire had spread from the shed in the rear of 123 W. Filbert St to an attached garage behind this address at 124 West Ave and to another detached garage at 126 West Ave. Our firefighters were on location within minutes and had the fire knocked down quickly minimizing the fire damage to the exposed structures.
- On July 14th we responded to 1051 Fairport Rd for a report of smoke coming from the roof of the house. Upon our arrival we found the single story residence charged with smoke. Our initial crews made entry into the house and upon searching the residence discovered an unresponsive occupant in a back bedroom. The firefighters removed the sole occupant from the residence who was later found to be deceased. The fire in the residence was found to have originated in the basement and was quickly extinguished with minimal spread into other parts of the house. It was learned following this incident that the occupant of this residence had died from causes unrelated to the fire. This was a highly stressful incident involving not only fire suppression efforts but a recovery of a victim from within the residence. I am proud to say that all of our firefighters and the firefighters from our mutual aid companies from Fairport, Penfield and Pittsford who assisted us at the scene this day did an outstanding job and I commend their actions during this difficult situation.
- On July 19th we responded to 2808 Baird Rd for a report of a garage on fire in close proximity to the residence. Upon our arrival we found the two car detached garage actively burning within several feet of the residence. Once again our firefighters made a quick knock down of the fire eliminating any fire spread to the exposed residence. The garage and contents sustained heavy damage as a result of the fire.
- In addition to our own alarms, we provided equipment and manpower for (9) mutual aid calls to the Fairport Fire Department, Penfield Fire Department and Brighton Fire Department.

We would also like to thank all our family members, exempt members, friends and the men and women from other fire department's that assisted us during the week.
