FOR 2016

Bulk will be removed at no additional fee on your regular pick-up day during the first FULL week of the months indicated on the schedule to the left. Any trash or bulk put out after your regular pick up day will incur a fee for collection.

NOTE: BULK PICKUP IS ONLY 9 MONTHS OUT OF THE YEAR.

BULK REFUSE PICK-UP - **** EXCLUDING ALL E-WASTE

Bulk refuse shall be defined as any item that is not enclosed within a container or bag. Bulk refuse shall include, but is not limited to furniture, bedding, carpeting, large household appliances, plumbing fixtures including hot water heaters and piping, concrete, blacktop, sod, and wood debris. Bulk materials shall only be placed at the curb for free pick up on your regularly scheduled pick-up day during the first FULL week of the months designated by the Town/Village Board upon the recommendation of the Superintendent of Public Works. Bulk placed at the curb at any other time will be picked but the owner of the property will be subject

IMPORTANT ADDITIONAL INFORMATION

Please place refuse and bulk at the curb no sooner than 12:00 noon on the day before your regular pick-up day. Any refuse or bulk put out in advance of this requirement will be removed and a charge may be levied against the property owner. All empty cans or containers must be removed within 12 hours after they are emptied. Place refuse in bags or containers not to exceed 50 pounds each. Any property that exceeds 12 standard 32 gallon trash cans or bags of refuse in any one week excluding designated bulk weeks will be charged special pick-up fees.

LEAF & BRUSH REMOVAL

DPW will conduct vacuum curbside pick up of leaf piles from approximately 10/12 to 12/12 depending on the weather. Do not place leaves in the road as they pose a hazard for children, create parking problems, and cause a back-up of the storm sewers. Residents are encouraged to bag leaves whenever possible in clear plastic or recyclable paper bags and place them at the curb with your ordinary refuse on your regular scheduled pick-up day. *Please do not place leaves in garbage cans. Grass clippings must be in clear plastic or recyclable paper bags and placed at the curb on your regular scheduled pick-up day.* Branches, shrubs, trees and other brush are normally picked-up each Monday.

TIRE REMOVAL

All tires placed at the curb are subject to a fee for their disposal regardless of when they are discarded, including free bulk pick up weeks. The Town/Village is charged directly from the landfill a special disposal fee for all tires.

SPECIAL PICK-UP FEES - fines for non-compliance are as follows:

- \$25 for the first offense
- \$50 for the second offense
- \$75 for the third offense
- \$100 for the fourth and each additional offense thereafter

Note: excessive amount of bulk may result in additional fees regardless of how many offenses have occurred.

Questions regarding refuse disposal? Call us prior to placing it curbside: Please call the DPW Garage at 585-381-1565 or visit us at www.eastrochester.org

E-WASTE REMINDER

E-Waste is not accepted waste that can be placed out on bulk week. Please review the policy which complies with New York State Law on the back side of this document.

Electronic Waste Policy (E-Waste):

As of January 1, 2013, the Town/Village of East Rochester has instituted new collection rules pertaining to all E-Waste in order to comply with the new state wide E-Waste collection law. As part of this new law, landfills will no longer be allowed to accept any E-Waste collected by the Town/Village of East Rochester at their disposal sites.

All forms of E-Waste placed at the curb for collection for either regular pick up as well as during bulk pick up, will incur a fee of \$25.00 per item if collected by the Department of Public Works (DPW). Any such disposed E-Waste items will be tagged with a yellow violation sticker and left at the curb. If the item is still at the curb after one (1) day, (24 hours) you will be fined \$25.00 for each item and the item(s) will be removed. Upon collection, these items will be brought to the DPW Garage, where we have an E-Waste collection facility. We have partnered with SUNNKING Electronics Recycling to comply with this new law.

To avoid the fee for curbside collection, any residents wishing to dispose of any E-Waste, may instead bring their items to the Department of Public Works Garage at 200 Ontario Street, Monday through Thursday, 10:00 a.m. to 3:00 p.m. Although residents may be asked to sign in for this process, there is no fee for this drop off service and it is available to all residents regardless of whether they have refuse service provided by the Town/Village of East Rochester.

As of August 1, 2015, older style televisions and computer monitors containing cathode ray tubes (CRT's) will no longer be accepted for drop off at the Town/Village of East Rochester Department of Public Works garage located at 200 Ontario Street. To dispose of these items, you must bring them to an approved facility for drop off and there may be a charge for each CRT item. The DPW will no longer accept these items at their site. If you place a CRT item at the curb it will be tagged with a yellow violation sticker. If the item is still at the curb after one (1) day, (24 hours) you will be fined \$50.00 for each CRT item and the item(s) will be removed.

All other forms of E-Waste other than CRT's may still be dropped off at the DPW Garage free of charge. Prior to dropping off allowable E-Waste, residents/commercial property owners must first check in at the DPW Office. Anyone dropping off unacceptable CRT items will be subject to fines based on the video surveillance cameras located on the property.

Some examples of acceptable E-Waste are: Computers (towers, laptops, PDA's, Tablets), Monitors (LCD, LED), Printers, Scanners, Copiers, Fax machines, non CRT Televisions, VCR's, CD/DVD players, Stereo equipment, Cell phones, Telephones and anything else with an electronic circuit board.
